Hey Dave, that's great. How about 0930 if we don't need Guam on the line and 1230 if we need them. Maybe we we could go minus 39 minutes just us then get the team on a call (so 0900 or 1230)?

I will be sending you something on the butterfly by the end of your day.

Let me know which time you'd like to go with. I have a phone bridge we can use.

Thanks,  
Joe

Joe,  
Monday is uncharacteristically open for me. What time would work best for you? You'll have been doing a lot of travelling and time zone switching...

LEt me know and I'll lock it down.

Can we lock down a time to meet Monday?

Before your COB today I'm having Coralie send an email to you that I'd like to be able to discuss Monday
